ACKNOWLEDGMENTS

The author is indebted to Almighty Allah who enabled him to complete the research work and write up the dissertation successfully for the degree of Master of Science (MS) in Fisheries Resource Management under the Department of Fisheries Resource Management, Chattogram Veterinary and Animal Sciences University (CVASU).

The author sincerely expresses his deepest sense of gratitude and indebtedness to honorable Vice-chancellor **Prof. Dr. Goutam Buddha Das and Prof. Dr. Mohammed Nurul Absar Khan**, Dean, Faculty of Fisheries, CVASU for their supportive administrative co-ordination to fulfill his research.

The author expresses his sincere thanks and gratitude to his supervisor, **Dr. Mohammad Mejbah Uddin**, Professor, Department of Anatomy & Histology, CVASU for his valuable supervision and guidance. It was really a great pleasure and an amazing experience for him to work under his supervision.

The author expresses his profound gratitude to his co-supervisor, **Dr. Sk. Ahmad Al Nahid**, Associate Professor and Head, Department of Fisheries Resource Management, CVASU for his valuable advice, scholastic guidance, suggestions, and inspiration. His dynamism, vision, and confidence inspired him and gave him confidence and strength.

The author expresses his profound gratitude to his honorable teacher **Shahida Arfine Shimul**, Assistant Professor, Department of Fisheries Resource Management, CVASU for her valuable guidance and intellectual suggestions to complete the research.

The author expresses his thanks to the lab technician **Bokhteyar Hossain and Supria Biswas** of the Aquatic Ecology laboratory for their cooperation during the research work.

The author is greatly indebted to his senior brother **Saifuddin Rana** and **Zubair Bin Safi** for his encouragement and cooperation at every stage of this study from its inception to completion.

The author sincerely thanks all my senior and classmates, especially **Al-Mamun, Humayun Kabir, Obaidullah, Pria banik** and the technical staffs of the Department of Fisheries Resource Management, CVASU for their encouragement and support during research work.

Last but not least, the author expresses his deepest sense of gratitude to his beloved parents for their sacrifice, blessings, and encouragement.

The Author

Md. Mahmudul Hasan
